MORE than a Clubhouse!

Together we are building our future and commemorating our past.

Dear Community Friend,

We are excited to share some great news about our local treasure, Village Park, located on Appleton and Garfield, in the heart of the Village. What was once a softball diamond has been transformed into a vital multi-use area. Currently, Village Park features an amphitheater, a grassy space, picnic tables, and an all-inclusive playground with a splashpad. Park programs such as concerts, movie nights, Falls Kids Festival, Menomonee Falls Farmers' Market, and much more are featured throughout the summer. Village Park is a perfect setting for family outings, corporate picnics, weddings, and special community events.

But we are not done yet!

As we head into the "home stretch," the current temporary pods will be replaced with a permanent structure, terrace, and seating areas. To honor the rich tradition and memories of this once softball field, the new building will be named the CLUBHOUSE.

We hope that you will join this exciting project through our community Clubhouse campaign, designed to give a sense of pride in ownership of YOUR Village Park. Donors of \$100 or more will be recognized at the park.

Brought to you by:
