Menomonee Falls Events is excited to introduce **The Horicon Bank Clubhouse**, thoughtfully designed and brought to life by **Bence Build**! This addition creates an inviting space for community gatherings, special events, and memorable experiences year-round.

Featuring a welcoming bar area and thoughtfully designed gathering spaces, the Clubhouse provides the perfect setting for guests to connect, celebrate, and enjoy everything Menomonee Falls Events has to offer. Designed with both functionality and atmosphere in mind, it is a wonderful new addition to our event space.

Looking for a unique venue for your next gathering? The Horicon Bank Clubhouse and Uptown Motors Terrace are available to rent, offering a great setting for private parties, celebrations, corporate gatherings, and special occasions.

This dream would not have become a reality without the generosity and support of numerous community members, local businesses, and sponsors who contributed their time, resources, and support to bring this vision to life. We are incredibly grateful to everyone who played a part in making this project possible. A recognition sign located next to the Clubhouse proudly displays the names of those who helped make it happen.

We look forward to welcoming you to The **Horicon Bank Clubhouse, Uptown Motors Terrace, VIP area, and patio!** These new spaces are another exciting way to bring our community together and create lasting memories.

Want to be part of the Clubhouse experience? Naming rights for the VIP Area and Patio are still available, offering a unique opportunity for a business or organization to become part of this exciting community addition. *Contact menomoneefallsevents@gmail.com*
